The Butterfly: Symbol and Meaning

1. The soul, rebirth, immortality ... as changing from the mundane caterpillar through the state of dissolution to the celestial winged creature – representing beauty, rebirth resurrection – From: An Illustrated Encyclopaedia of Traditional Symbols by J.C. Cooper (1987). London: Thames & Hudson.

2. A positive symbol standing for powers of transformation and immortality, and for beauty arising out of trauma, lifelessness (the seemingly lifeless cocoon) and apparent death From: The Secret Language of Symbols: A Visual Key to their Meanings by David Fontana (1997). Sydney: Universal International
